MISSION STATEMENT

The primary purpose of the *Journal of Small Business Management (JSBM)* is to publish scholarly research articles in the fields of small business management and entrepreneurship. All manuscripts should address research issues in a rigorous way using qualitative, quantitative or a combination of these techniques; however, JSBM encourages the incorporation of pragmatic advice for practitioners based on the research results. The journal, which is circulated in 60 countries around the world, is the official journal of the International Council for Small Business (ICSB) and is recognized as a primary instrument for projecting and supporting the goals and objectives of this organization.
