Please list the date of your upcoming board elections:

March 21th, 2018

Discuss highlights/new developments:

- 1) Launching the "Committee of Affiliate Development" to attract new members and retain existing members through meaningful engagement. This committee is also considered as the planning group of 2016 Asian SME Conference and 2018 ICSB World Conference.
- 2) "ICSB-ROC Research Grants" available to encourage Taiwan's professors and doctoral students work together in SMEs thematic research, increase willingness to submit and present the research contributions on annual ICSB World Conference.
- 3) Composing the "Entrepreneurship & Education Think Tank" to explore issues and opportunities for SMEs development going forward. Aggregating a range of policy and implementation recommendations and proposing on the meeting with Taiwanese President Ma Ying-Jeou in the end of 2015.
- 4) Holding International Entrepreneurship Symposium to share topics related to entrepreneurship and SMEs. Through transnational symposium exchanges, Taiwanese entrepreneurs are driven to understand the latest international situation and observation.

Discuss key problems/challenges faced:

Regarding the holding of 2016 Asian SME Conference and 2018 ICSB World Conference in Taiwan, we need ICSB IO provides us some reference materials such as the guide to make more proper planning in advance.
